Special Job Requirements

This position is located outside of Canada. It is the student's responsibility to ensure they are eligible to work in the destination country, and that they have/obtain the necessary documentation required to participate in this co-op work term. The University may provide procedural guidance and a Letter of Support to support a student's application for this documentation, but cannot provide specific immigration advice or arrange for this documentation on a student's behalf. Ensure you have read and understood the eligibility requirements outlined here: <https://uwaterloo.ca/co-operative-education/work-abroad/before-you-go/co-op-requirements/>

Job Summary

About BMO:

Established in 1817, BMO is Canada's oldest bank and North America's 8th largest bank by assets. More than 12 million customers count on us for personal and commercial banking, wealth management and investment services. Everywhere we do business, we're focused on building, investing and transforming how we work to drive performance and continue growing the good.

Department Overview:

BMO Private Banking Services department's team of professionals offer a range of services for our customers, which includes

counselling services on overseas accounts opening, GIC, and financial counselling services on immigration matters. We committed to offer professional strategies and efficient solutions to our customers through our extraordinary corporation between departments in Asia and departments in North America.

Job Responsibilities

- Daily communication with clients on GIC services to ensure a satisfactory client experience. Being able to provide professional explanation and practical solutions to customers inquiries.
- Process student account opening requests and provide follow-up service. Ensure all requests are timely and accurately processed
- Conduct efficient communication with the Canadian Embassy for GIC application matters and being able to manage and organize GIC data on Excel.
- Coordinate with PBS RMs and BMO department and branches in Canada on account opening issues and handle special requests
- Oversee the whole GIC application progress and conducting risk control to ensure the work quality and service continuity.
- Collaborate with team members for management of GIC application and weekly report.

Required Skills

- 5 working days per week, 4 months at least, 8 months consecutive work term will be preferred
- Strong interpersonal and communication skills
- Good problem solving skills
- Good PC related software skills; Excel expert is preferred
- Sincere, Patient and easygoing
- Fluent in English and Mandarin
- Well-disciplined with ability to manage multiple assignments efficiently under pressure
- Preferably with working experience of internships on commercial service

Compensation and Benefits

2500 CNY / Monthly, 120 CNY / Day

If you are matched to a job outside of Canada, you may apply for international travel awards/scholarships via SAFA. Please see more information at <https://uwaterloo.ca/student-awards-financial-aid/undergraduate-awards/international-experience-awards>
